## Oregon Cities/Counties Bans

Submitted by Andrew Black

**Many Oregon cities and counties have opted out of the new recreational cannabis industry.**

The interactive map below shows cities or counties that have prohibited the establishment of Licensed Recreational Marijuana producers, processors, wholesalers, and/or retailers.

Counties highlighted in red have a ban. Counties highlighted in green allow licesing of recreational cannabis operations. Counties highlighted in yellow have a temporary moratorium pending election outcomes later in 2016.

Cities highlighted in blue have a temporary moratoriums pending election outcomes later in 2016. Cities highlighted in violet have a ban.

The official list from the Oregon Liqour Control Commission can be found [here](#).

**You can explore this map and determine if a local ban is in effect for your community or property. If you cannot see the map you may need to download the latest version of your browser.**
